Wisconsin Department of Transportation

WIS 241 Pavement Replacement – S 27th St from UPRR to WIS 24

August 2026 Public Involvement Meeting

ID: 2265 02 05

wisconsindot.gov/Pages/projects/by-region/se/default.aspx

Project Overview

The Wisconsin Department of Transportation (WisDOT) is proposing a pavement replacement on and 0.4 miles of WIS 241 (S 27th St) in Milwaukee County. The purpose of this project is to provide long-term improvements to the pavement, operation, and safety of the roadway. Construction is tentatively scheduled for 2033.

Proposed Improvements:

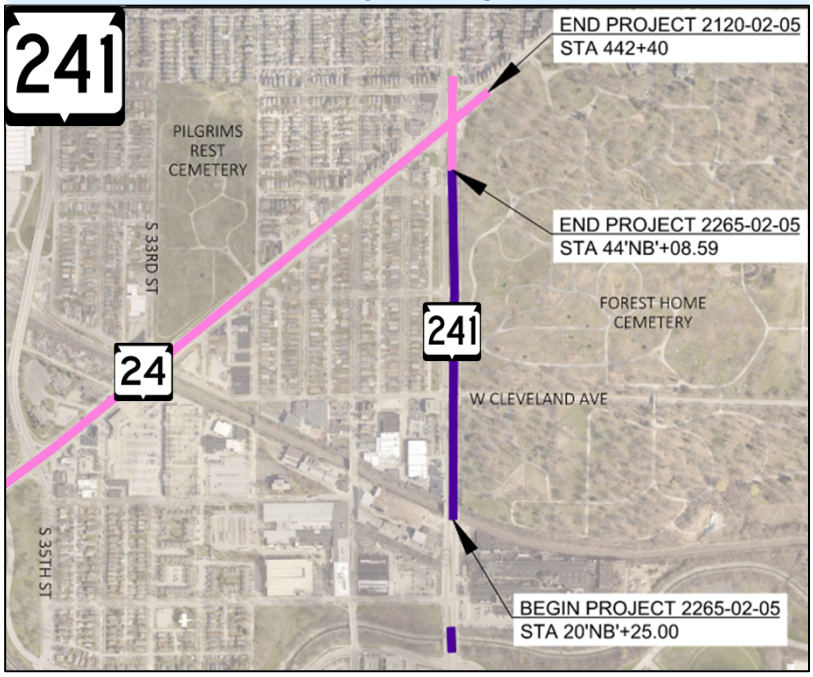

- Pavement replacement
- Curb and gutter replacement
- Potential Sidewalk replacement
- Bicycle and pedestrian accommodations updates
- Storm sewer replacement
- Bridge maintenance
- Traffic signal and roadway lighting replacement
- Pavement marking and signing

Alternatives being Reviewed:

- Shared use path
- On-street bike lanes
- Raised protected bike lanes

Project Map

Schedule

This project is currently in preliminary design. Construction is anticipated to start in Spring of 2033 but could start as early as Spring of 2031 pending available funding.

Preliminary Design	Final Design	Construction
2026 - 2027	2027-2033	2033

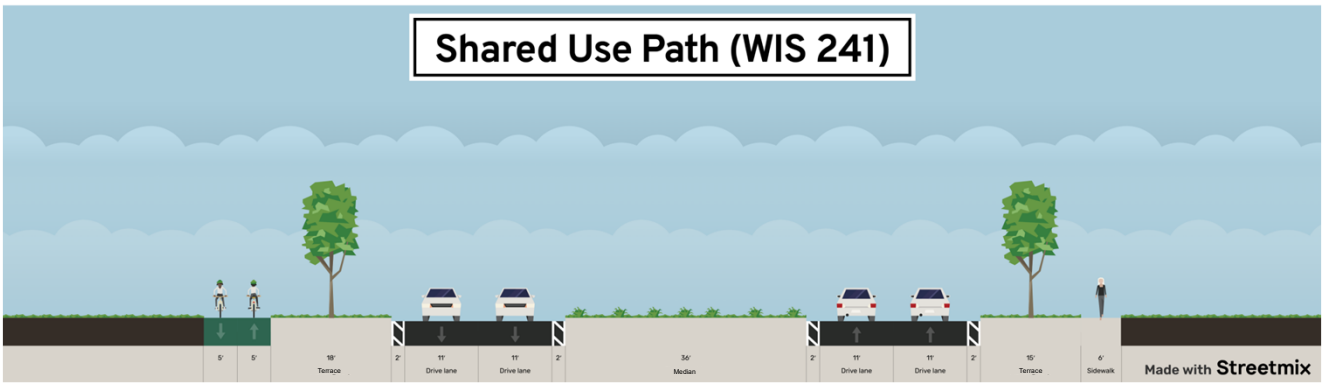

Real Estate

Most of the work is anticipated to occur within the existing right of way, however real estate acquisition will be required at select locations. Affected property owners will be contacted later in the design process.

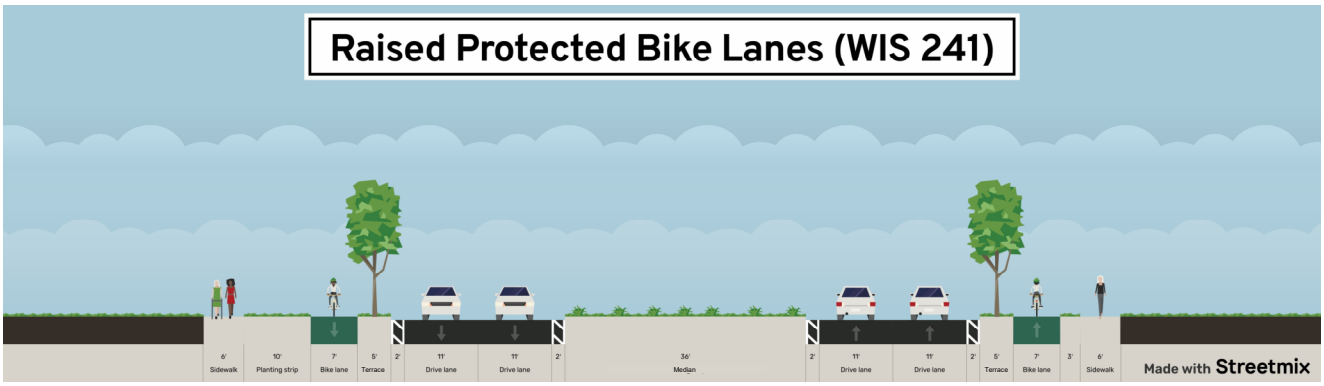

Information for Businesses

Find WisDOT's 'In This Together' guide for tips, tools, and resources to help businesses plan for highway construction at wisconsindot.gov/together.

Possible Alternatives being reviewed:

Public Input

We encourage you to speak with the project representatives and share your questions and input – especially regarding historical assets, underground utilities, drainage issues or other environmental concerns. A comment sheet is available for your written input, which can be mailed before September 5, 2026, or left in the comment box tonight. Your feedback is valuable and will help us develop a project that meets the needs of both the traveling public and the local community.
