Safe Routes to Transit: Burleigh Street

W. Burleigh Street - N. Sherman Boulevard to N. 20th Street

CONSTRUCTION PROGRESS

The City of Milwaukee Department of Public Works (DPW) is making improvements to W. Burleigh Street from N. Sherman Boulevard to N. 20th Street. The project is part of the Safe Routes to Transit program and is focused on making the street safer, more comfortable and more accessible for people walking and taking the bus.

The sewer relay projects on W. Burleigh Street are complete and the High Impact Paving work on the street has been scheduled.

Paving operations are anticipated to follow the following schedule:

- **Thursday, October 2** and **Friday, October 3** - Set-up traffic control between 31st and Hopkins streets
- **Monday, October 6** and **Tuesday, October 7** - Mill (remove pavement) between 31st and Hopkins streets*
- **Wednesday, October 8** - Paving and pavement markings between 31st and Hopkins streets*
- **Thursday, October 9** and **Friday, October 10** - Set-up traffic control between Sherman Boulevard and 31st Street
- **Monday, October 13** and **Tuesday, October 14** - Mill (remove pavement) between Sherman Boulevard and 31st Street*
- **Wednesday, October 15** - Paving and pavement markings between Sherman Boulevard and 31st Street*

CONSTRUCTION IMPACTS

***During the milling and paving operations, the street will be closed to all traffic while crews are working.** Working hours are anticipated to be 7 a.m. to 7 p.m. Local traffic will be permitted overnight, during non-working hours. No on-street parking will be allowed in the work zone.

MCTS will detour bus traffic off W. Burleigh Street. See RideMCTS.com or signs at bus stops for more information.

Side streets will be closed to north/south movements across Burleigh Street, except for major streets. See the Paving Map below for details.

All work is weather dependent and subject to change.
