

N. TEUTONIA AVENUE DESIGN PROJECT

from W. Mill Road to W. Good Hope Road

Project Notice

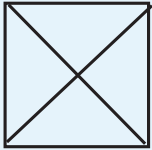

The City of Milwaukee is proposing to improve N. Teutonia Avenue from W. Mill Road to W. Good Hope Road.

- This project is planned to provide long-term improvements to the pavement, safety and operations of N. Teutonia Avenue for motorists and pedestrians. As part of this project:
 - » N. Teutonia Avenue is planned to be fully reconstructed.
 - » N. Teutonia Service Drive is planned to be resurfaced.
- The design phase will take approximately three years with construction tentatively scheduled to begin in 2029.
- Public involvement meetings will be held to gather public input and share project milestones.
 - » *Additional public involvement meeting information (including dates, times and locations) will be shared directly with the public as it becomes available.*
- Residents, businesses and property owners located within the project limits are encouraged to contact the public involvement team with any historic, environmental or freight accommodation information they have that may assist the project team during the design phase.
