

Water Street Bridge over the Milwaukee River

Project Update - November 2025

Water Street Bridge to Reopen Monday, November 10

The City of Milwaukee is rehabilitating the Water Street Bridge over the Milwaukee River.

Painting operations and approach work have been completed on both sides of the bascule spans.

This week, the bridge will remain closed to traffic as sidewalk plates and traffic gates are installed, and expansion joint repairs are completed.

The bridge is anticipated to reopen to all four lanes of traffic on the morning of **Monday, November 10**.

Schedule is weather dependent and subject to change
