City of Milwaukee
North 100th Street to West Burleigh Street

Meeting Invite

Website

Dear Resident/Property Owner:

The City of Milwaukee, in partnership with the Wisconsin Department of Transportation (WisDOT), is proposing to improve West Lisbon Avenue from North 100th Street to West Burleigh Street, and invites you to attend a Virtual Public Involvement Meeting (PIM) on **Wednesday, November 10, 2021, from 6 to 8 p.m.** This meeting will be broadcasted via Microsoft Teams and can be accessed by visiting: https://bit.ly/WestLisbonAve_PIM1 or by phone at **(414) 435-2380 (Phone Conference ID: 929 148 391#)**. A brief presentation will begin at 6:10 p.m., followed by a Q&A session with the project team.

The project is planned to provide long-term improvements to the pavement, safety, and operations of the roadway. The meeting is an opportunity for people living, working, and traveling along West Lisbon Avenue to hear about the proposed project and discuss issues along the street. Your input will help identify solutions to make the street safer and more enjoyable for walking, bicycling, and driving. Here are some examples of input we are seeking from you:

- What could use improvement (what problems do you see)?
- Where is it difficult to cross the street?
- What business concerns do you have during or after construction?
- What information can you share regarding, historic properties, hazardous materials, private drainpipes or tiles, private irrigation systems and concerns on West Lisbon Avenue?

A comment form is available on the West Lisbon Avenue website at www.lisbonavenue.org. You may submit comments via email to Darci Hackbarth, Public Involvement Specialist, at Darci@devorpr.com or by mail to: De Vor Communications, W175N11163 Stonewood Drive, Suite 234, Germantown, WI 53022.

Anyone who requires an auxiliary aid or service to participate in this City of Milwaukee event should contact the ADA Coordinator at (414) 286-3475 or via email at adacoordinator@milwaukee.gov as soon as possible, but no later than 72 hours before the scheduled event.

If you have any questions, or if you are unable to attend this meeting, but would like to find out more about the project, please contact Darci by phone at (608) 386-8365 or via email at Darci@devorpr.com.

Sincerely,

Jerrel Kruschke, P.E.
City Engineer
