

W. Lisbon Avenue from W. Burleigh Street to N. 100th Street

CONSTRUCTION FORECAST

May 2025

The City of Milwaukee is reconstructing W. Lisbon Avenue from N. 100th Street to W. Burleigh Street. During 2025, crews are scheduled to reconstruct the roadway between N. 100th and N. 86th streets. The following work is scheduled to take place over the next several weeks.

May 12 - May 23, 2025:

Crews are scheduled to begin breaking and removing pavement in the westbound lanes and sidewalk.

- Bidirectional traffic is maintained in the eastbound lanes
- Pedestrians are encouraged to use the sidewalk on the eastbound side of W. Lisbon Avenue
- Temporary pedestrian crossings will be installed at 87th, 91st and 97th streets to get around the closure

Businesses and residents should be aware that noise and dust are associated with this work. Steps are taken to minimize these effects.

Access to residences and businesses will be maintained.

All work is weather dependent and subject to change.
