

W. Lisbon Avenue from W. Burleigh Street to N. 100th Street CONSTRUCTION FORECAST

July/August 2025

The City of Milwaukee is reconstructing W. Lisbon Avenue from N. 100th Street to W. Burleigh Street. During 2025, crews are expected to reconstruct the roadway between N. 100th and N. 86th streets. The following work is scheduled to take place over the next several weeks.

July 21 - August 1, 2025:

Between 92nd and 86th streets

- Crews are expected to begin paving operations in the westbound driving lane on Thursday, July 24
- Late night saw-cutting is scheduled to take place following paving operations.** Residences and businesses should be aware that noise and dust will be associated with this work. Steps are taken to minimize these effects
- Crews are scheduled to pour roadway curbs and driveway aprons the week of July 28

Traffic Impacts:

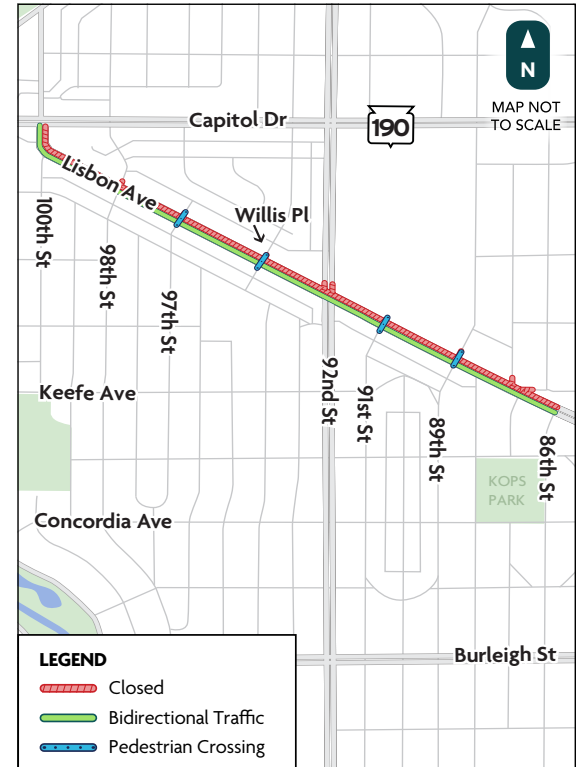

Bidirectional traffic will be maintained in the eastbound lanes.

Pedestrian access is closed on the north side of Lisbon Avenue to accommodate this work.

- Pedestrians are encouraged to use the sidewalk on the south side of the roadway and the dedicated crosswalks at 89th Street, 91st Street, Willis Place, and 97th Street

Residences and businesses should be aware that short-term driveway closures are required as part of this work.

- Crews will notify property owners via phone call at least 48 hours prior to closing a driveway
- Residents affected by driveway closures must call **(414) 286-8300** or visit city.milwaukee.gov/parking/parkingpermits to obtain City of Milwaukee overnight street parking permissions

All work is weather dependent and subject to change.
