

West Lisbon Avenue from West Burleigh Street to North 100th Street

PROJECT UPDATE

October 2025

» EASTBOUND PAVING BEGINS

The City of Milwaukee is reconstructing W. Lisbon Avenue from W. Burleigh Street to N. 100th Street. During 2025, crews will reconstruct the roadway between N. 86th and N. 100th streets. The following work is scheduled to take place as part of this project.

Beginning Thursday, October 9, 2025:

W. Lisbon Avenue N. 100th to N. 86th streets

Crews are scheduled to begin paving the eastbound driving lane.

- Paving operations will begin at N. 100th Street and move east towards N. 86th Street

Crews are scheduled to **saw-cut pavement joints** at the completion of paving operations.

- **This work is time sensitive and may continue overnight as the concrete cures**

Residences and businesses should be aware that noise and dust is associated with this work. Steps are taken to minimize these effects.

Eastbound W. Lisbon Avenue remains closed during this work.

Westbound W. Lisbon Avenue between N. 92nd and N. 100th streets remains closed during this work.

A single lane of W. Lisbon Avenue is open for westbound traffic only between N. 86th and N. 92nd streets.

Residents and businesses with driveways on the south side of W. Lisbon Avenue are asked to park on area side streets during this work.

- Residents affected by driveway closures must call **(414) 286-8350** or visit city.milwaukee.gov/parking/parkingpermits to obtain City of Milwaukee overnight street parking permissions

Alternate Route:

- » Eastbound motorists are encouraged to use WIS 190 (W. Capitol Drive) and WIS 175 (W. Appleton Avenue) to get around the closure

All work is weather dependent and subject to change.
