• REOPENING CELEBRATION

12 - 12:30 p.m.

Center of Holton Street Bridge
N. Holton Street
Milwaukee, WI 53202

Join the City of Milwaukee as we celebrate the completion of the rehabilitation of the **N. Holton Street Bridge**! After construction began in spring 2023, the bridge will officially reopen to people driving, walking, and biking on Thursday, July 16.

The celebration will also feature the unveiling of **Milwaukee's longest mural**—a 1,000-foot, community-painted piece designed by Aisha Valentín that stretches along the two-way protected bike lane on the east side of the bridge.

The Holton Street Bridge Reopening Celebration is open to everyone who uses and enjoys the bridge. Join us on Thursday, July 16, at 12 p.m. in the center of the bridge to celebrate this restored piece of Milwaukee's historic infrastructure, experience the new mural, and learn about future plans for **The Landing on Tannery Row** park beneath the bridge.

Please note: This event will officially reopen N. Holton Street to traffic. Prior to the event, ***the street will still be closed*** *so please plan your transportation accordingly.*
