

CONSTRUCTION FORECAST

The Wisconsin Department of Transportation (WisDOT), in partnership with the city of Milwaukee, is reconstructing WIS 32 (North Lake Drive) between East Newberry Boulevard and East Edgewood Avenue. The following work is scheduled to take place between East Kenwood Boulevard and East Edgewood Avenue over the next two weeks.

August 18 - 30, 2024

- Continue with pavement removals
- Placement of base aggregate
- Install temporary approaches for streets east of North Lake Drive and driveways on both sides
- Storm sewer removal and replacement
- Replacement of underground electrical utilities
- North/South Lake Drive pedestrian crossings are closed at the following intersections:
 - Hampshire Street
 - Hartford Avenue
 - Newport Avenue/Newport Court

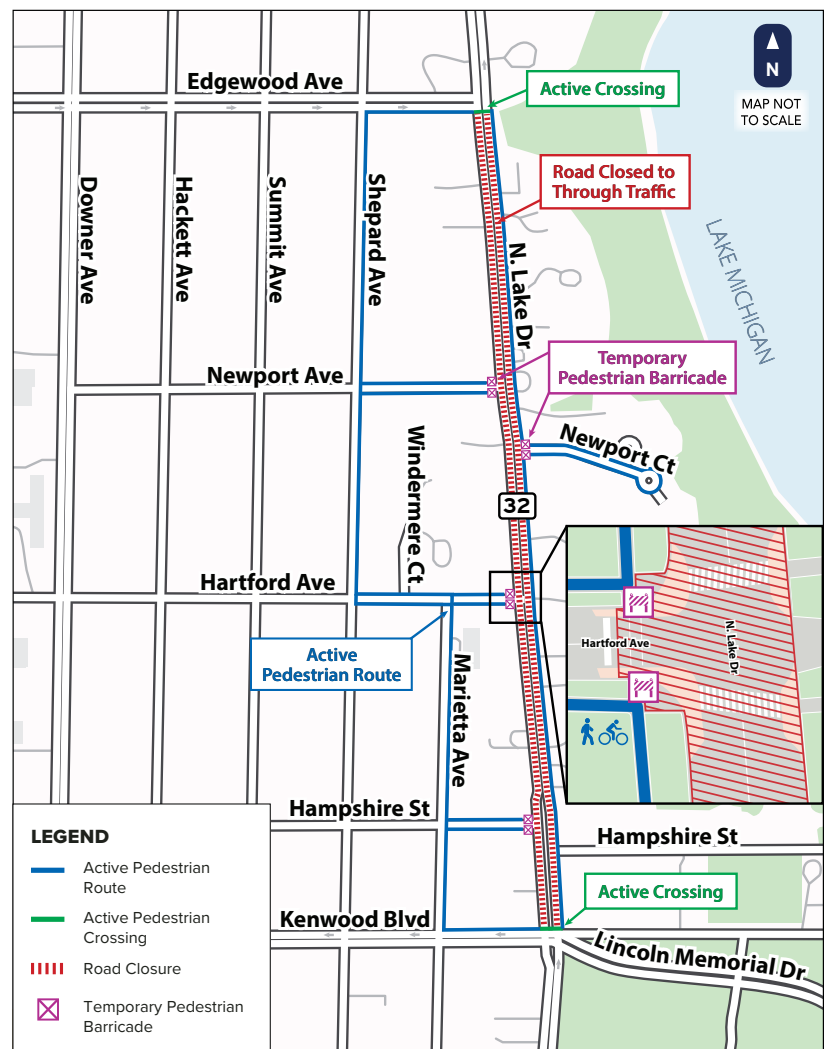

Noise and dust will be associated with this work. Crews will take steps to minimize these effects.

One lane of southbound traffic will be maintained for residential and business access.

Pedestrian Detours:

Pedestrians utilizing the sidewalks adjacent to Lake Drive are encouraged to use the following detours.

- ➡ Pedestrians traveling north or south on Lake Drive are encouraged to follow the posted detours. See map for details.
- ➡ Pedestrians wishing to cross North Lake Drive are encouraged to utilize the active crossings at Kenwood Boulevard and Edgewood Avenue.

All work is weather dependent and subject to change.

Construction Terminology

Temporary Approaches:	The area between the sidewalk and roadway
Pavement Removal:	Complete removal of pavement using excavators and milling machinery
Base Aggregate:	Crushed rock that serves as a base course for the new road
Roadway Excavation:	Removal and disposal of existing roadway
Underground Electrical:	Electrical conduits carrying wiring beneath the roadway bed
Storm Sewer:	Installation of upgraded underground storm sewer
Temporary Lighting:	Lighting on removable poles within the project limits
