

Growing MKE – Part 1 Engagement – Online Survey (Aug. 14, 2023-Sept. 17, 2023)

The online survey questions were also asked at the Open Houses, so people were able to choose whether to participate in-person or online.

How will Milwaukee choose to grow? - How will Milwaukee choose to grow?

How will Milwaukee choose to grow?

Take 5-7 minute survey and give your feedback on the types of housing you would like to see throughout the city! Please make sure to click "Submit" at the end of the survey (even if you decide to skip some).

What types of housing would you like to see more of in YOUR NEIGHBORHOOD?

Choose all that apply.

Single Family

A single-unit detached residential building, typically with a private yard space.

Cottage Court

Single-unit houses that are typically 1 to 1.5 stories tall and are around a shared courtyard.

Accessory Dwelling Unit

A small, 1-unit house or apartment attached or detached to single-family residence on same property

Duplex

2-unit residential building with similar size and scale to a single-family house.

Triplex

3-unit residential building with a similar size and scale to a 1- or 2-unit residential building

Fourplex

4-unit residential building, often side-by-side or with 2 units on the 1st floor and 2 units above.

Townhouse

1-unit house connected to other single-unit homes by shared wall(s) – a side-by-side configuration

Courtyard Multi-Family

Medium-sized building with side-by-side or stacked residential units around shared courtyard

Live Work Unit

A building with a commercial or office space and residential unit for the business owner.

Low-Rise Multi-Family

Medium-sized residential building with multiple residential units that is two to four stories tall.

Mid-Rise Multi-Family

Medium-sized structure with multiple residential units that is 5 to 8 stories tall.

Mid-Rise Multi-Family

Medium-sized structure with multiple residential units that is 5 to 8 stories tall.

Mixed-Use Multi-Family

Structure with multiple residential units and commercial or office space. Heights vary.

High-Rise Multi-Family

Large structure with multiple residential units that is at least 9 stories tall.

☐ Other (please specify)

How important are the following existing city planning policies when considering new housing options:

	Very Important	Somewhat Important	Not Important	Not Sure
Housing should be encouraged near transit stops	☐	☐	☐	☐
Mixed use developments should be encouraged on commercial corridors (commercial corridors are streets lined with businesses)	☐	☐	☐	☐
A diversity of housing types should be available in city neighborhoods to accommodate a range of ages, incomes and abilities	☐	☐	☐	☐
Housing and neighborhood development should allow residents to access a variety of resources such as food, jobs, places of worship, schools and parks within walking distance of their home	☐	☐	☐	☐
Housing should be designed to make streets more enjoyable for walking.	☐	☐	☐	☐
