May 23, 2024

Dear Property Owner/Current Occupant:

PUBLIC INVOLVEMENT MEETING NO. 2

The City of Milwaukee Department of Public Works (DPW) and the Wisconsin Department of Transportation (WisDOT) invite you to attend the second Public Involvement Meeting to review and comment on proposed rehabilitation plans and schedule for the 16th Street Viaduct. The meeting is an opportunity for people who travel along the 16th Street Viaduct to hear about the proposed project. The meeting will be held on Tuesday June 18, 2024.

Date: Tuesday, June 18, 2024

Location: STAMM Technologies
1207 West Canal Street, Milwaukee
(Facility is ADA accessible; free parking is available)

Time: Informal Open House 5:00 to 7:00 p.m.
(Optional brief presentation at 6:00 p.m.)

The rehabilitation project is for the 384-foot-long unit over the Menomonee River. It is proposed to permanently fix the two movable leaves of the bascule span and to repair the existing structure. The project includes full closure of the bridge between West Clybourn Street and the Viaduct Approach (ramp bridge).

Construction for the 16th Street Viaduct project is scheduled to begin in Spring 2025 and work is anticipated to be completed by Fall 2026. Details of the proposed work will be presented during the meeting.

Please join representatives from the City of Milwaukee and the consultant design team to learn more about the project and share your thoughts and comments. For more information about the project, please visit milwaukee.gov/dpw/16th-Street-Bridge. You may submit your comments directly on the project website and can sign up to receive project updates.

Reasonable accommodations will be provided upon request. Please contact the City of Milwaukee ADA Coordinator at (414) 286-3475 or adacoordinator@milwaukee.gov within 72 hours before the meeting. If you have any questions or comments about the project, please contact design team member Darrell Berry at 262-227-8641 or darrell.berry@meadhunt.com.
