PUBLIC INVOLVEMENT MEETING

THE GOAL

This project aims to provide long-term improvements to the pavement, safety, and operations of the roadway. This meeting is an opportunity for people living, working, and traveling along West Lisbon Avenue to hear about the proposed project and provide feedback on the design alternatives being developed. A recorded copy of the meeting's presentation will be posted to the West Lisbon Avenue website lisbonavenue.org.

The City of Milwaukee, in partnership with the Wisconsin Department of Transportation (WisDOT), will host an open house style Public Involvement Meeting regarding the proposed West Lisbon Avenue reconstruction project, from North 100th Street to West Burleigh Street. Project team members will be available to answer questions and share project updates. There will be a brief presentation at 6:15 p.m.

Visit our website at lisbonavenue.org to sign up for project updates

You may also provide feedback and input through Social Pinpoint at engagemke.com/lisbonave

Anyone who requires an auxiliary aid or service to participate in this City of Milwaukee event should contact the ADA Coordinator at (414) 286-3475 or via email at adacoordinator@milwaukee.gov as soon as possible, but no later than 72 hours before the scheduled event.
