APRIL 2026

CONSTRUCTION FORECAST THE WEEK OF APRIL 1, 2026

The City of Milwaukee is reconstructing W. Lisbon Avenue between N. 100th Street and W. Burleigh Street. In 2026, crews are reconstructing the street between N. 86th and W. Burleigh streets. The following work is scheduled to take place.

Crews are scheduled to continue landscape operations in the eastbound lane. Work includes tree planting, bioswale installation, and sod planting.

- Eastbound travel on W. Lisbon Avenue at W. Capitol Drive (WIS 190) is anticipated to close intermittently for several months to accommodate this work. Advanced warning signage will be posted before closures take place.

Bike path and sidewalk installation are scheduled to begin.

N. 86th Street to W. Burleigh Street:

Westbound W. Lisbon Avenue remains closed as crews continue saw-cutting, pavement removals, and grading operations.

Sidewalk removals on the north side of W. Lisbon Avenue are scheduled to begin.

Eastbound W. Lisbon Avenue between N. 76th Street and W. Burleigh Street remains closed while crews continue storm sewer installation.

- Eastbound W. Lisbon Avenue is scheduled to open the week of April 6.

Northbound and southbound travel on N. 84th Street at W. Lisbon Avenue is scheduled to remain closed throughout the duration of the project to accommodate roundabout construction.

Residents and businesses should be aware that noise and dust are associated with this work. Steps are taken to minimize these effects.
