West Lisbon Avenue Public Involvement Meeting

» OUR GOAL

This project will provide long-term improvements to the pavement, safety, and operations of the roadway. This meeting is an opportunity for people living, working and traveling along West Lisbon Avenue to learn about and provide feedback on the preferred alternative for the corridor.

A pre-recorded presentation will be available at the meeting and on the West Lisbon Avenue website at lisbonavenue.org

The City of Milwaukee, in partnership with the Wisconsin Department of Transportation (WisDOT), will host an open-house style Public Involvement Meeting for the proposed West Lisbon Avenue reconstruction project from North 100th Street to West Burleigh Street. Project team members will be available to answer questions and share project updates.
