

PROJECT COMPLETION

WIS 32 (North Lake Drive) Reconstruction Project

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Milwaukee, has completed the reconstruction of WIS 32 (N. Lake Drive) between E. Newberry Boulevard and E. Edgewood Avenue.

The following work was completed as part of this project:

- Reconstructed the roadway base and driving surface with concrete
- Replaced the storm sewer
- Replaced curb ramps to meet current ADA standards
- Improved safety for people crossing the street with the addition of pedestrian refuge islands
- Constructed a separated protected bicycle lane
- Replaced street lighting with modern LED fixtures
- Reconstructed the intersection of Lake Drive at Kenwood Boulevard, including upgrading traffic signals with the latest equipment

Residents can contact the City of Milwaukee Department of Public Works with issues related to roadway maintenance, yard waste, garbage collection, damage to delineator posts and curbing by calling **(414) 286-CITY (2489)** or using the online reporting form at milwaukee.gov/click4action
