

CONSTRUCTION FORECAST

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Milwaukee, is reconstructing WIS 32 (N. Lake Drive) between E. Newberry Boulevard and E. Edgewood Avenue. The following work is scheduled to take place over the next two weeks.

Week of May 19, 2025:

Crews are scheduled to start concrete paving operations in the northbound and southbound travel lanes between Newberry and Kenwood boulevards on Wednesday, May 21.

- Residents on the west side of N. Lake Drive should plan to remove needed vehicles from their driveways to nearby street parking by **6:30 a.m. Monday, May 19**, in preparation for this work
- There will be no resident access to driveways on the west side of N. Lake Drive for approximately three weeks

Saw-cutting of pavement joints is scheduled to begin upon completion of paving operations.

- This work is time-sensitive and will continue **overnight** as concrete cures
- Noise and dust are associated with this work. Crews will take steps to minimize these effects

All work is weather dependent and subject to change.

Week of May 26, 2025:

Crews are scheduled to start concrete paving operations of the southbound bicycle lane between Newberry and Kenwood boulevards.

Saw-cutting of pavement joints is scheduled to begin upon completion of paving operations.

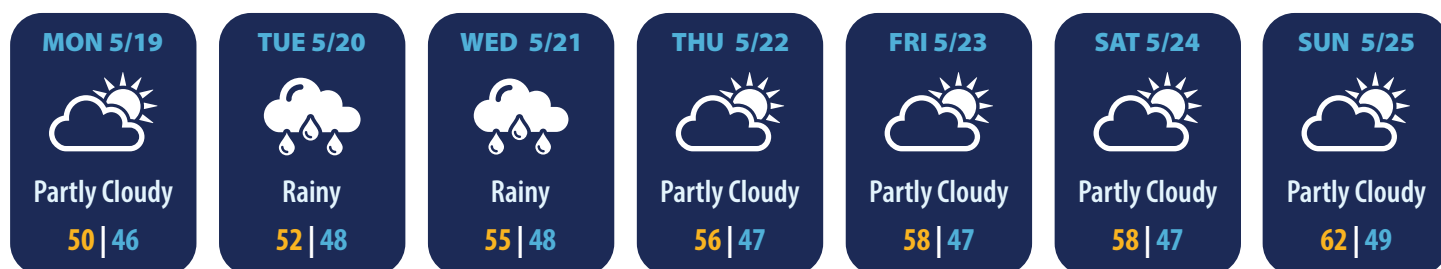

- This work is time-sensitive and will continue **overnight** as the concrete cures
- **Noise and dust are associated with this work. Crews will take steps to minimize these effects**

Following bicycle lane paving, crews are scheduled to start paving driveway approaches to restore driveway access.

Lake Drive between Kenwood Boulevard and Hampshire Street remains closed for intersection reconstruction.

Access to Lake Park will be maintained.
