DESIGN OVERVIEW

W./E. Oklahoma Avenue - S. 6th St. to E. Howell Ave.

City of Milwaukee | DEPARTMENT OF PUBLIC WORKS

APRIL 2026

About the Project

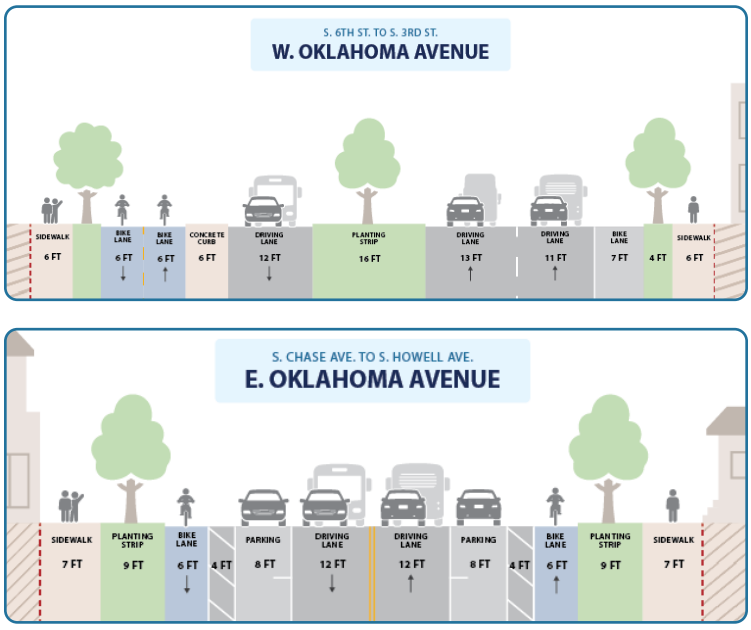

The City of Milwaukee is redesigning W./E. Oklahoma Avenue from S. 6th Street to S. Howell Avenue and S. 6th Street from W. Oklahoma Avenue to W. Manitoba Street. This project will create an all ages and abilities protected bikeway and feature street safety improvements throughout the corridor.

Project Goals

- Reduce speeding, encourage safe, responsible driving
- Improve comfort for people walking, biking, and taking transit

Design Snapshot

- Add protected bike lanes
- Add bus boarding island, high visibility crosswalks
- Reduce WB travel lanes on W. Oklahoma Ave. from two to one from S. 6th St. to S. Chase Ave.
- Maintain street parking

Example Cross Sections
