Safe Routes to Transit: Burleigh Street

W. Burleigh Street - N. Sherman Boulevard to N. 20th Street

Construction Progress

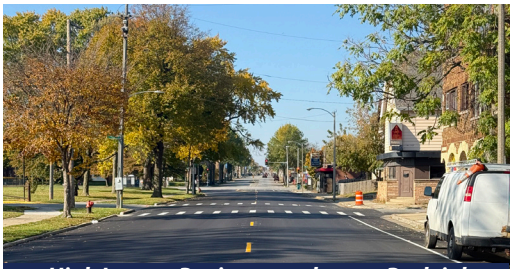

The City of Milwaukee Department of Public Works (DPW) is making improvements to W. Burleigh Street from N. Sherman Boulevard to N. 20th Street. The project is part of the Safe Routes to Transit program and is focused on making the street safer, more comfortable and more accessible for people walking and taking the bus.

Crews have substantially completed the following:

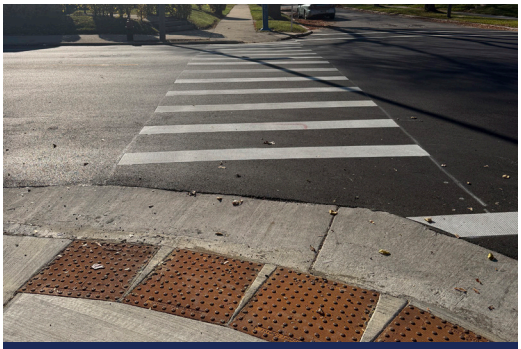

- **Bus bulbs** on the north side of the street at 35th, 27th and 22nd streets; and on the south side of the street at 35th, 24th and 22nd streets
- Rebuilding **pedestrian ramps** to meet ADA standards
- **High Impact Paving** overlay throughout the corridor that extends east to W. Hopkins Street
- **Pavement markings** throughout the corridor, including high visibility crosswalks

This week, work is continuing on:

- Setting and pouring **pinned-on islands** at 41st, 39th, 37th, 35th, 30th, 25th and 24th streets
- **Pavement marking** work will take place **overnight** at the intersection of Burleigh, 35th Street, and Fond du Lac Avenue on the evenings of **November 6th and 7th**

High Impact Paving complete on Burleigh between 23rd and 22nd streets

New paving, pedestrians ramps and freshly marked crosswalks at 38th & Burleigh

Construction Impacts

Two-way traffic will be maintained during a majority of the construction, with short-term lane closures and on-street parking restrictions throughout the project corridor expected. The project is on schedule and still anticipated to be completed in the 2025 construction season.
