

CONSTRUCTION FORECAST

W. Lisbon Avenue from N. 100th St. to W. Burleigh St.

AUGUST/SEPTEMBER 2026

CONSTRUCTION FORECAST THE WEEK OF AUGUST 31

The City of Milwaukee is reconstructing W. Lisbon Avenue between N. 100th Street and W. Burleigh Street. In 2026, crews are reconstructing the street between N. 86th and W. Burleigh streets. The following work is scheduled to take place.

Between N. 86th and W. Burleigh streets:

Crews are scheduled to continue removing pavement in the eastbound lanes starting at N. 86th Street and working east towards W. Burleigh Street.

Following pavement removals, crews will begin grading the street and paving the new concrete sidewalk.

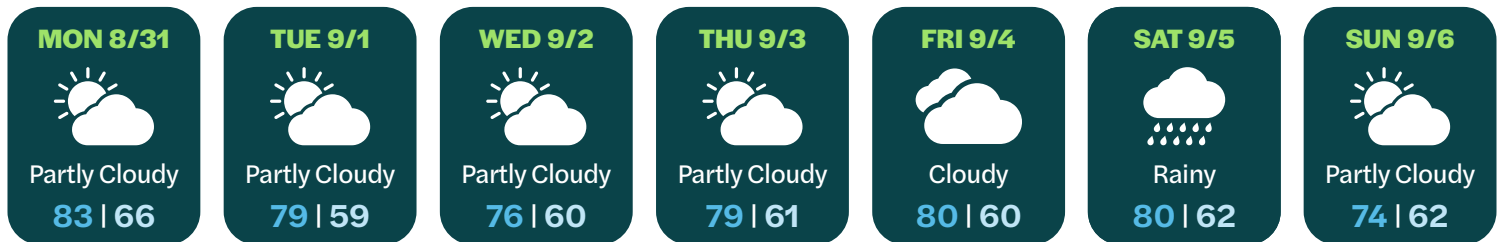

Eastbound travel on W. Lisbon Avenue between N. 86th and W. Burleigh streets remains detoured through the end of 2026.

- People driving east on W. Lisbon Avenue are encouraged to use WIS 190 (W. Capitol Drive) and WIS 175 (W. Appleton Avenue) to get around the closure.

Residents and businesses should be aware that noise and dust will be associated with this work. Steps are taken to minimize these effects.

All work and schedules are weather dependent and subject to change.
