CONSTRUCTION FORECAST

W. Lisbon Avenue from N. 100th St. to W. Burleigh St.

City of Milwaukee | DEPARTMENT OF PUBLIC WORKS

SEPTEMBER 2026

CONSTRUCTION FORECAST THE WEEK OF SEPTEMBER 14, 2026

The City of Milwaukee is reconstructing W. Lisbon Avenue between N. 100th Street and W. Burleigh Street. In 2026, crews are reconstructing the street between N. 86th and W. Burleigh streets. The following work is scheduled to take place.

Eastbound W. Lisbon Avenue between N. 86th and W. Burleigh Street:

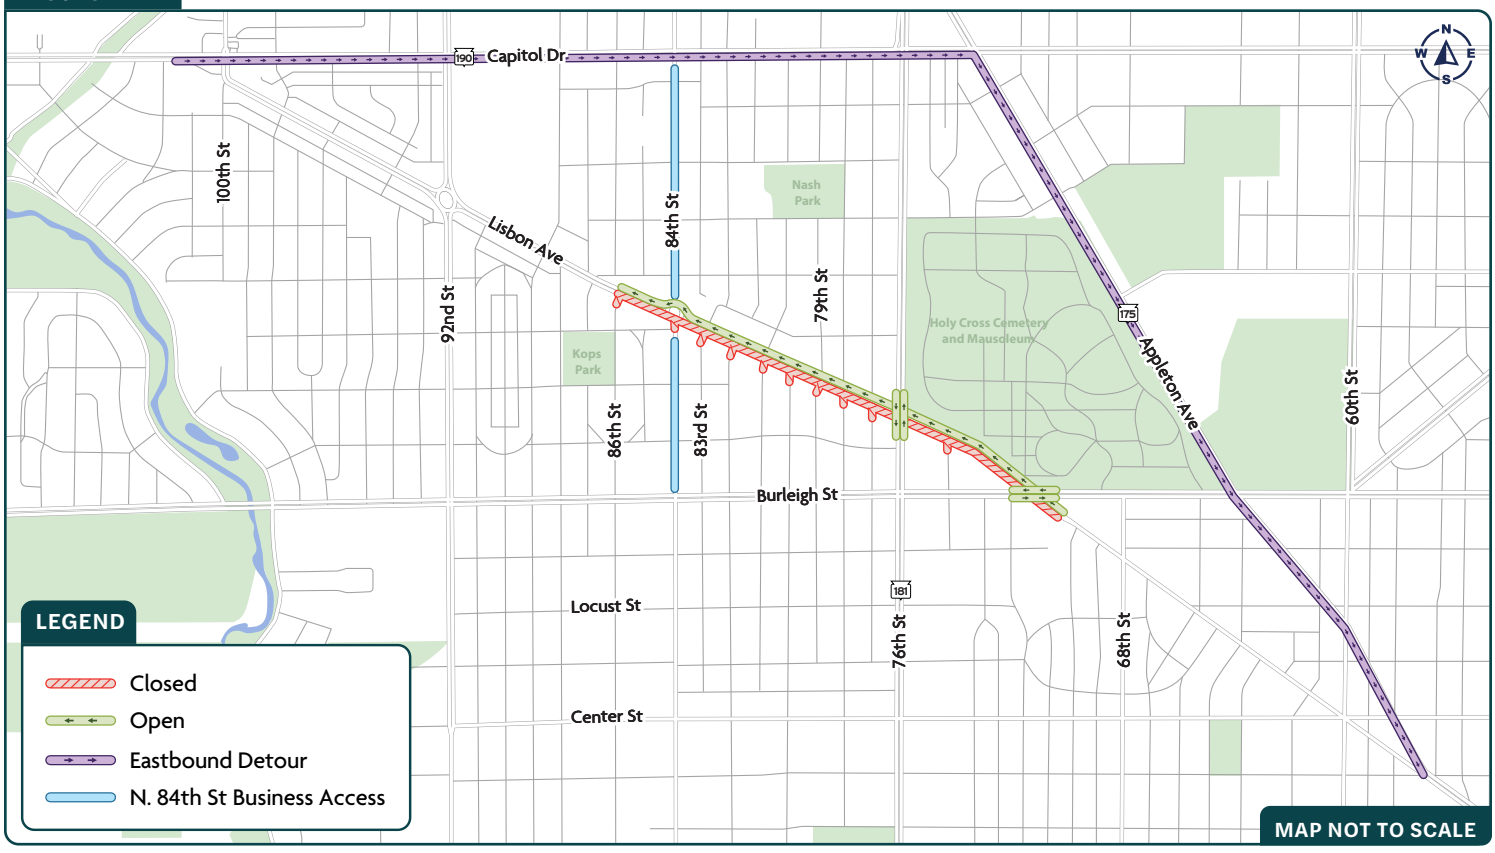

Crews are scheduled to continue installing the sidewalk.

Following sidewalk installation, curb and gutters will be formed.

Eastbound W. Lisbon Avenue remains detoured for the remainder of the project. People driving are encouraged to use WIS 190 (W. Capitol Drive) and WIS 175 (W. Appleton Avenue) to get around the closure.

All work and schedules are weather dependent and subject to change.

PROJECT MAP

Westbound W. Lisbon Avenue between N. 86th and W. Burleigh Streets:

Sod planting is scheduled to continue along the newly constructed westbound lane.

Your new sod will require more care than the rest of your lawn. Following these instructions should result in a healthy lawn:

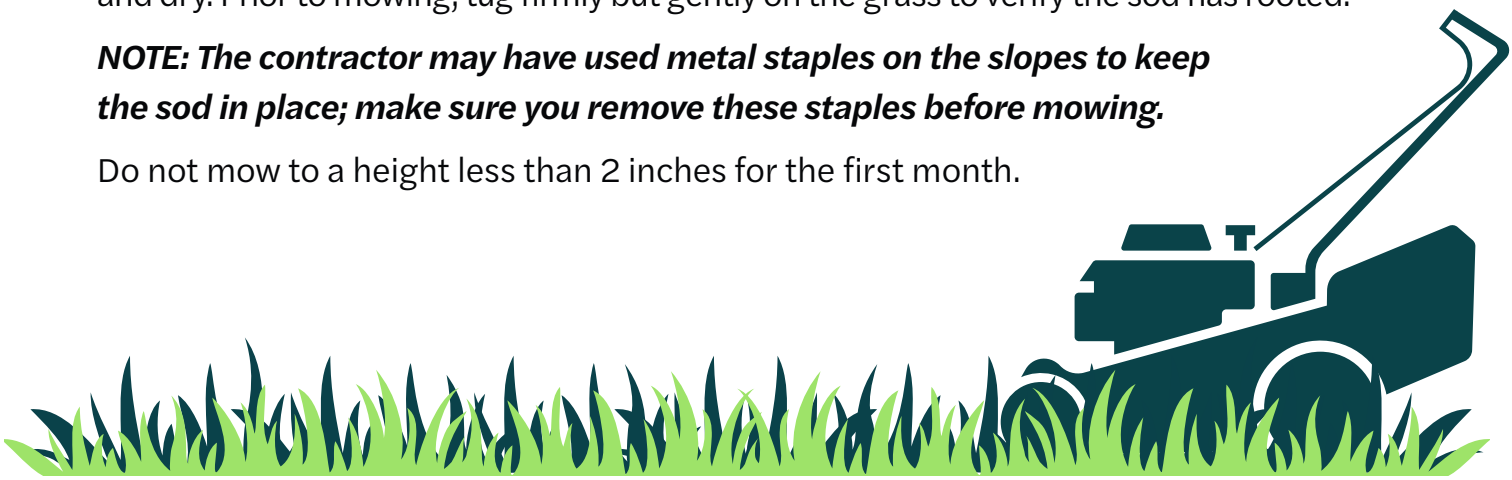

1. The contractor will water the new sod for at least 30 days to help it grow and develop a root system.

2. At the end of the contractor watering period, sod maintenance is the responsibility of the property owner.

3. You may begin to mow your new sod once it is solidly rooted in the ground, healthy, and dry. Prior to mowing, tug firmly but gently on the grass to verify the sod has rooted.

   NOTE: The contractor may have used metal staples on the slopes to keep the sod in place; make sure you remove these staples before mowing.

   Do not mow to a height less than 2 inches for the first month.
