PROJECT UPDATE

Holton Street Bridge Rehabilitation Project

The City of Milwaukee is rehabilitating the N. Holton Street Bridge from E. Reservoir/Glover avenues to just north of Brady Street. Periodic roadway closures will be required in 2025, including a full closure of the Holton Street Bridge later this year.

Beginning Monday, April 7:

- N. Commerce Street, between E. Dock Street and N. Holton Street, is scheduled to close to through traffic weekdays from 9 a.m. until 3 p.m. for bridge structure maintenance.
- The Marsupial Bridge, located beneath the N. Holton Street Bridge, is scheduled to close between 7 a.m. to 3 p.m. over the next several weeks.
- Travelers are encouraged to use Pleasant Street and Humboldt Avenue to cross the Milwaukee River. Sidewalk access will be maintained throughout the work zone.

Access to residences and businesses will be maintained.

All work is weather dependent and subject to change.
