PROJECT UPDATE

Holton Street Bridge Rehabilitation Project

The City of Milwaukee is rehabilitating the N. Holton Street Bridge from E. Reservoir/Glover avenues to just north of Brady Street. All work is scheduled to be completed by late fall, 2025.

During July and August 2025, crews focused on paint removal and repainting operations along the southern half of N. Holton Street.

Tuesday, September 2, 2025:

Paint removal operations on the N. Holton Street Bridge over the Milwaukee River are scheduled to continue on the northern half of the bridge.

- Crews are expected to work from 7 a.m. to 7 p.m., Monday through Saturday until mid-fall 2025
- Residents and businesses should be aware loud noise is associated with this work

Debris containment system installed under the N. Holton Street Bridge

All work is weather dependent and subject to change.
