

CONSTRUCTION FORECAST

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Milwaukee, is reconstructing WIS 32 (N. Lake Drive) between E. Newberry Boulevard and E. Edgewood Avenue. The following work is scheduled to take place over the next two weeks.

Week of June 2, 2025:

Crews are scheduled to begin paving the southbound curb lane between Newberry and Kenwood boulevards.

- Crews will focus on the Locust Street to Kenwood Boulevard segment first to expedite driveway access restoration

Saw-cutting of pavement joints is scheduled to begin upon completion of paving operations.

- This work is time-sensitive and will continue **OVERNIGHT** as concrete cures
- NOISE AND DUST** are associated with this work. Crews will take steps to minimize these effects

Crews will continue work to form and pave the intersections at Newberry Boulevard, Locust Street and Linnwood Avenue.

Crews are scheduled to prepare driveway approaches for paving on the west side of Lake Drive.

- Driveway access on the west side of N. Lake Drive remains closed during this work

All work is weather dependent and subject to change.

New concrete surface on Lake Drive between Newberry and Kenwood boulevards

Week of June 9, 2025:

Crews are expected to begin paving the northbound curb lane between Newberry and Kenwood boulevards.

Saw-cutting of pavement joints is scheduled to begin upon completion of paving operations.

- This work is time-sensitive and will continue **OVERNIGHT** as concrete cures
- **NOISE AND DUST** are associated with this work. Crews will take steps to minimize these effects

Crews are scheduled to continue paving intersections, driveway approaches, and sidewalks.

- Residents may resume using their driveway after the concrete cures and crews have removed the cone blocking their driveway

Lake Drive between Kenwood Boulevard and Hampshire Street remains closed.

Access to Lake Park will be maintained.
