

CONSTRUCTION UPDATE

W. Lisbon Avenue from N. 100th St. to W. Burleigh St.

DEPARTMENT OF
PUBLIC WORKS

AUGUST 2026

TRAFFIC SHIFT BEGINNING AS EARLY AS AUGUST 21, 2026

» Traffic Shift

The City of Milwaukee is reconstructing W. Lisbon Avenue from N. 100th Street to W. Burleigh Street. During 2026, crews are scheduled to reconstruct the roadway between N. 86th and W. Burleigh streets. The following work is scheduled as part of this project:

- Westbound traffic is scheduled to shift to the newly reconstructed westbound lane between N. 86th and W. Burleigh streets.
- Eastbound W. Lisbon Avenue will be detoured while crews reconstruct the eastbound lane.
- Access to and from the side streets south of W. Lisbon Avenue will be closed during eastbound lane reconstruction.
- The intersections of W. Lisbon Avenue and N. 76th Street, and W. Lisbon Avenue and W. Burleigh Street, are scheduled to remain open.
- The south half of the intersection at N. 84th Street and W. Lisbon Avenue will be closed to accommodate roundabout construction. Businesses are accessible from westbound W. Lisbon Avenue and southbound N. 84th Street.

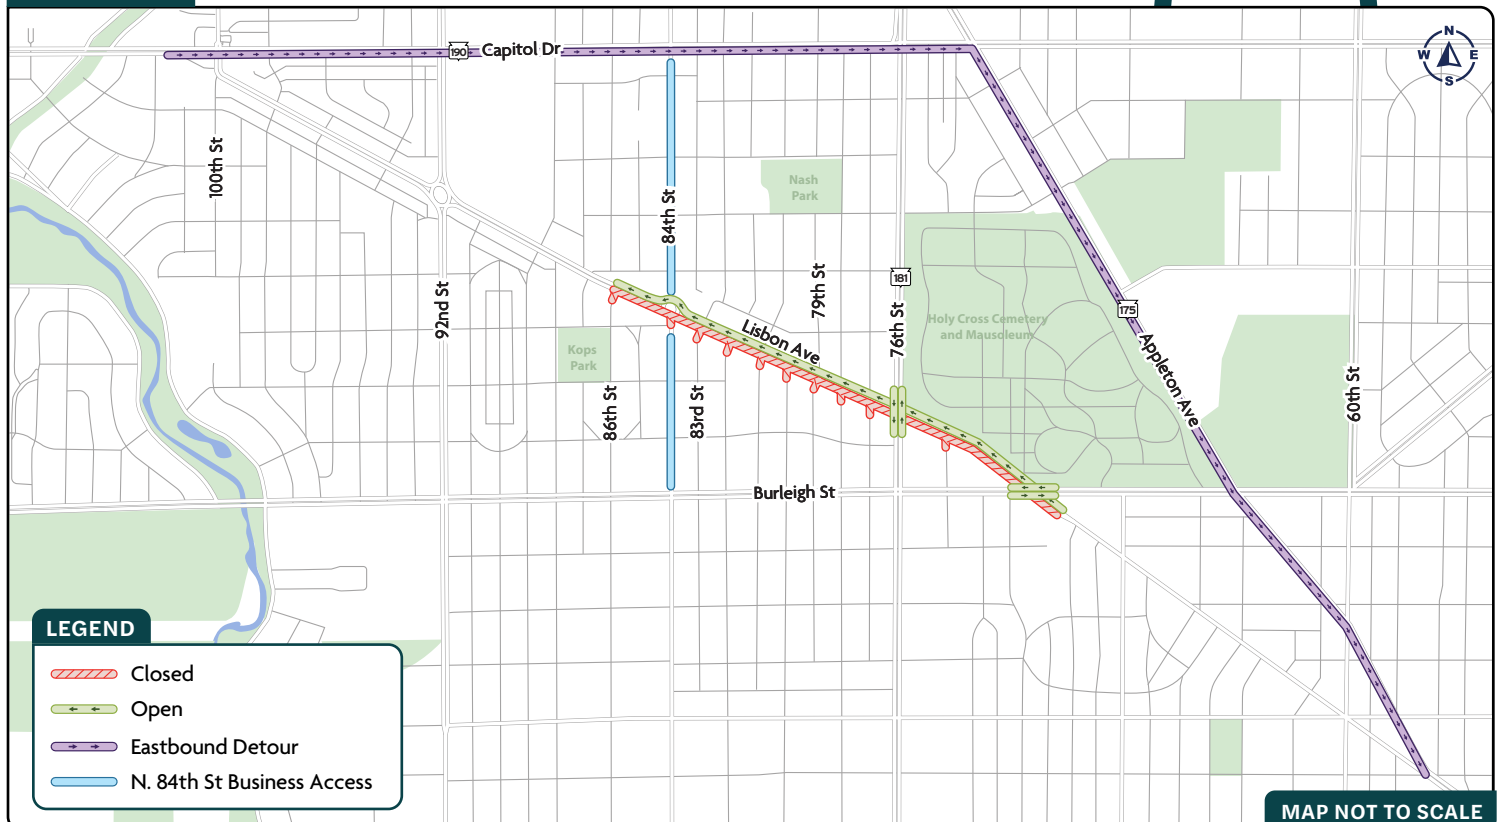

Eastbound Detour:

- People driving east on W. Lisbon Avenue are encouraged to use WIS 190 (W. Capitol Drive) and WIS 175 (W. Appleton Avenue) to get around the closure.

All work and schedules are weather dependent and subject to change.

Traffic Shift

Construction Parking Information

If this construction project prohibits access to your off-street parking space and you have to park on the street, you are required to get an **exemption** for night parking.

To receive a night parking exemption, you are required to call the Parking Information Desk at **(414) 286-8350 option 5** between the hours of 8 a.m. and 1 a.m. Sunday through Friday. Inform the operator of the location and the duration of the construction project. You will be asked to provide:

1. License plate number
2. Issuing state
3. Year, make, model, and color of vehicle

Please note that vehicles displaying a night parking permit must display a valid license plate.

The night parking exemption for construction expires after thirty (30) days. If the construction project exceeds the thirty (30) day period, you are required to call the Parking Information Desk at **(414) 286-8350 option 5** again to seek a second exemption.

PLEASE DO NOT CALL THE POLICE DEPARTMENT FOR NIGHT PARKING EXEMPTIONS.

It is important to note that even if you receive a night parking exemption, you are still required to follow street parking regulations for your specific street; most of which follow the alternate side parking rule. You can check with Parking Enforcement if your street is an exception to this rule.

Persons holding residential day parking permits will be permitted to park within two (2) blocks of the address shown on their permit providing they abide by all other provisions of the day parking permit program.

If you have any questions about parking regulations in your area, please call the City of Milwaukee, Department of Public Works Parking Enforcement at **(414) 286-8350 option 5**.

REGARDLESS OF WHETHER CONSTRUCTION IS IN PROGRESS, VEHICLES PARKED IN VIOLATION OF POSTED TEMPORARY NO PARKING OR TIME RESTRICTION SIGNS MAY BE TICKETED AND/OR TOWED.
