

UPCOMING CONSTRUCTION PROJECT

W. Roosevelt Dr. - W. Burleigh St. to W. Capitol Dr.

The City of Milwaukee is constructing a traffic safety project on W. Roosevelt Drive from W. Burleigh Street to W. Capitol Drive. The project will consist of the following items of work:

- Building a parking and concrete-protected bike lanes on either side of the street along the curb
 - Pinned-on islands will either be landscaped or red stamped concrete
 - **NOTE:** After construction, parking lane will be moved away from the curb throughout the corridor
- Installation of speed tables along the corridor; approaching N. Norwood Place and approaching N. 41st Street on both sides of street

Construction Impacts & Schedule

Construction is anticipated to start in early July 2026 and be completed by late September 2026.

Stage 1 [1 week] - Construct 2 speed tables in SW bound direction

- All traffic moves to south side of Roosevelt between Norwood and 53rd, and 41st and 40th

Stage 2 [1 week] - Construct 2 speed tables in NE bound direction

- All traffic moves to north side of Roosevelt between 58th and Norwood, and 42nd and 41st

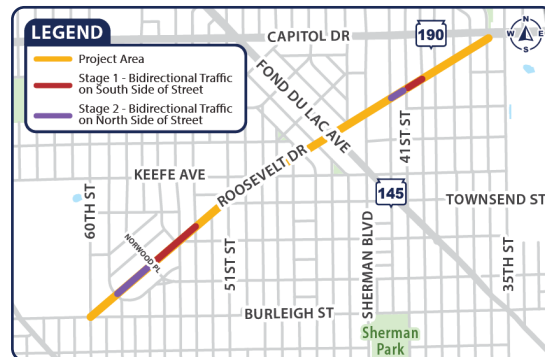

Stage 3 [6-8 weeks] - Construct protected bike lane; install signs and pavement markings

- Minimal traffic impacts. Narrowed lanes for portions of time, on-street parking impacts throughout corridor

** Additional construction will take place in 2027 to realign two intersections: Roosevelt, 54th, and Concordia; and Roosevelt, 49th, and Keefe*

Rendering of W. Roosevelt Drive; landscaped pinned-on island creates protected bike lane
