

W. Lisbon Avenue from W. Burleigh Street to N. 100th Street

CONSTRUCTION FORECAST

April 2025

The City of Milwaukee is reconstructing W. Lisbon Avenue from W. Burleigh Street to N. 100th Street. During 2025, crews are scheduled to reconstruct W. Lisbon Avenue between N. 86th and N. 100th streets. The following work is scheduled to take place over the next several weeks.

Beginning the week of April 7:

Concrete removals are scheduled to begin in the westbound lanes of W. Lisbon Avenue for storm sewer work.

- Bidirectional traffic will be maintained in the eastbound lanes
- Northbound and southbound travel across W. Lisbon Avenue will be limited. Motorists are encouraged to use alternate routes to get around the closures

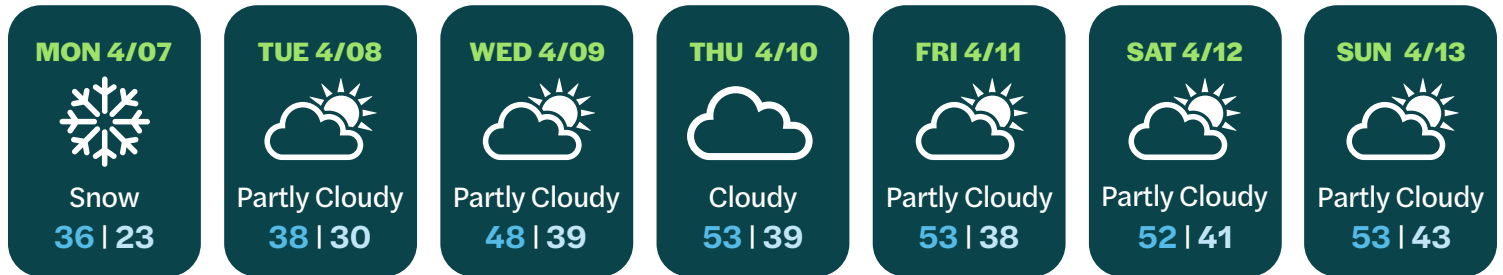

Businesses and residents should be aware that noise and dust will be associated with this work. Steps are taken to minimize these effects.

Motorists are reminded to drive with caution in and around the work zone.

Access to residences and businesses will be maintained.

All work is weather dependent and subject to change.
