City of Milwaukee

6TH STREET NEXT

*The City of Milwaukee Department of Public Works is **redesigning 6th Street from National Avenue to North Avenue.***

PROJECT OVERVIEW

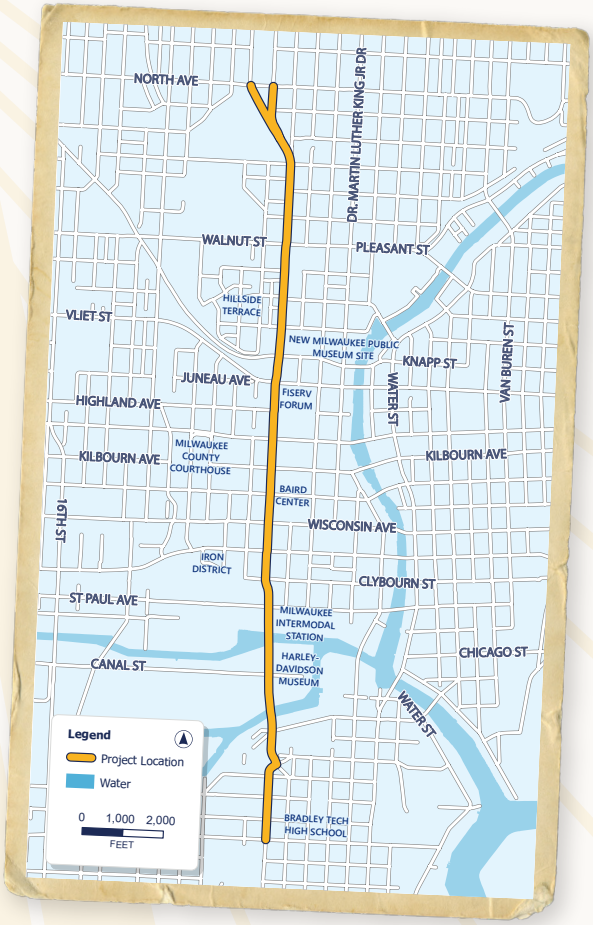

This project will transform 6th Street from National to North, focusing on the neighborhoods along this corridor that have been negatively affected by the impacts of urban renewal and interstate construction.

While the grant that funded this project was rescinded, the project is funded through preliminary design and the City of Milwaukee is committed to finding resources to complete final design and construction.

PROJECT ELEMENTS

- Improved **pedestrian accommodations**
- Increased tree canopy, landscaping and **green infrastructure**
- Add **new transit lanes and enhanced stops**, where feasible
- Right-sized **roadway**
- Fully **separated bike lanes**, where feasible
- **Reconstruction** of a portion of the corridor

PROJECT TIMELINE

- **Public Engagement Round 1:** Fall 2025
  Present corridor alternatives
- **Public Engagement Round 2:** Winter 2025/2026
  Present preferred alternatives
- **Preliminary Design & Environmental Document:** Spring 2026
- **Final Design and Construction:** TBD
